## Reflections .....

21 Scouters from 10 units assembled at the February Roundtable.

Leaders were challenged with a "Scouting and the Flag", word search. Our opening was a piece from BSA's new DVD: "Meetings and Events Openers and Closers".

We looked at some resources and ideas on how to teach respect for our Nation's Flag. Included was a segment from "For Which It Stands", produced by the American Legion. The package not only includes a DVD, but also a facilitator's guide and activity ideas. You can find it listed at the American Legion's website.

We tested our flag knowledge with a short game of Jeopardy. And our closing ceremony for the evening was the "13 Folds"

As usual, our RT Commish got carried away and ran out of time for the second program feature. We're gonna pick it up this month!

the next Twin Arrows Boy Scout Roundtable!

☐ **Recognition: We all could use that "pat on the back"**

Recognition doesn't have to be elaborate or expensive, but it ought to be from the heart. Let's share some ideas on how we can recognize Scouts and Scouters for a great job. We're also going to look at some of Scouting's Leader awards that we often forget to make sure every adult in our unit has a chance to earn.

☐ **Let's look back at the 2007 Merit Badge Fair. Then we can look forward.**

The Advancement Committee will be leading a discussion of the recent Fair, and seek your evaluation of the process and future of the event.
